

GBS US FOODSERVICE EQUIPMENT, INC.

Empowering American Culinary Excellence

Empowering Every Kitchen: From Bakeries to Schools, Fast Food to Healthcare

No matter your kitchen's focus—be it bakeries, fast food, healthcare, or schools—GBS US provides the optimal equipment to maximize your operation's potential.

We empower kitchens with top-tier products and exceptional support, ensuring chefs and operators have the tools to thrive.

Our equipment is tested and trusted by industry professionals, offering innovative solutions for more efficient and profitable menu production.

At GBS US, we are dedicated to enhancing the success of American kitchens across all segments, driving excellence and innovation in every culinary venture.

Bringing You the Finest in Culinary Innovation

At GBS US, we are proud to partner with two industry-leading Italian manufacturers: Angelo Po and Afinox.

Angelo Po, with a legacy spanning over 100 years, and Afinox, known for its cutting-edge expertise, set the standard in their fields.

Our commitment to excellence drives us to provide only the best equipment,

rigorously tested by our team of experts to ensure top performance.

Our equipment helps chefs and operators across the USA achieve more efficient and profitable kitchen operations.

Trust GBS US to deliver the transformative impact your kitchen needs to excel.

Experience You Can Trust. Expertise You Can Rely On.

At GBS US, our mission is to help you achieve excellence in your kitchen operations. We have assembled a team of seasoned professionals who understand the demands of serving great food efficiently, consistently, and profitably.

Our experts, including award-winning chefs, skilled technicians, and dedicated sales representatives, bring a wealth of industry knowledge and practical experience.

Whether you need to streamline labor, speed up service, reduce start-up costs, or enhance productivity, our team is ready to assist.

We start by listening to your needs and then provide tailored solutions that address your specific challenges.

Trust GBS US to help you transform your kitchen and achieve your best.

How GBS US Elevates Your Kitchen

GBS US recruits top talent, collaborates with leading brands, and partners with trusted consultants, reps, dealers, and service agencies.

We identify and import world-class solutions to benefit American kitchens.

Every product is rigorously tested and certified to ensure superior performance and reliability.

Our award-winning chefs leverage their expertise to help customers find the best solutions for their needs.

We conduct menu-specific demonstrations to ensure our recommendations deliver exceptional results.

Providing exceptional after-sale service and support across the USA, we ensure our customers' success every step of the way.
